**OFFENCES ALLEGED:** PARTIES TO OFFENCE: RECKLESS ENDANGERMENT OF CHILDREN, CHILD ABUSE, ELDER ABUSE, HEALTHY PEOPLE ABUSE, BREACH OF TRUST, INHUMANE ACTS ON CIVILIAN POPULATIONS, BODILY HARM, DISOBEYING A STATUTE, MISCONDUCT, OBSTRUCTING JUSTICE, OBSTRUCTING RELIGIOUS SERVICES, NUISANCE, CRIMINAL NEGLIGENCE, CRIMINAL NEGLIGENCE CAUSING DEATH, CULPABLE HOMICIDE, ADMINISTERING A NOXIOUS SUBSTANCE, EXTORTION, FALSE PRETENCE, FRAUD, INTIMIDATION, WILFULLY CAUSING EMERGENCY, CRIMES AGAINST HUMANITY, MISCHIEF, TORTURE, DOMESTIC TERRORISM, HOAX regarding TERRORISM, and MURDER as LOCKDOWN SUICIDES become MURDER.

**Section 21- Party to offense.**

The accused did unlawfully commit and/or were parties to numerous offenses. In particular, violating section 126 Criminal Code - Disobeying a Statute. The statute violated was section 7.0.2 (1) & (3) of the Emergency Management and Civil Protection Act. Emergency measures were not in accordance with the Canadian Charter of Rights and Freedoms. The measures violated section 1 of the Charter as there was never any sworn, under oath DEMONSTRABLY JUSTIFIED evidence or reasoning for an emergency declaration. The accused recklessly and wantonly disregarded section 1.2 of the Police Services Act.

The accused aided and/or assisted by not SAFEGUARDING fundamental rights and freedoms and the Human Rights Code.

The emergency measures violated virtually every aspect of section 2 of the Charter. In particular, one's ability to have an alternative opinion and/or belief due to overwhelming fear mongering and false facts regarding how hospitals and test centers were overloaded - they were not. Freedoms affected were freedom of peaceful assembly, freedom of association. The measures isolated virtually everyone in Ontario. Isolation is know to cause SUICIDES. The accused are party to the

offence of MURDER, as LOCKDOWN SUICIDES become MURDER. Similarly with health related deaths due to the emergency measures.

A very significant right of the gaining a livelihood was violated on a large scale, and the accused aided and/or assisted by not SAFEGUARDING fundamental rights and freedoms and the Human Rights Code.

**Sections 83.01 (1) (b) and 83.231 (1) - Domestic Terrorism, and HOAX regarding Terrorism -**

The accused were parties to the offence of Terrorism and HOAX regarding Terrorism.

The accused did cause and/or were parties to public intimidation with regards to its security including economic security, causing persons to do or refrain from doing any act, such as freedom of assembly, freedom of the right to the gaining of a livelihood, freedom to not breathe in one's own CARBON DIOXIDE, among other things. This recklessly endangered the lives of children, elderly, the vulnerable, and the healthy segment of the population. The accused also caused serious disruption and interference of essential services. The accused never supplied sworn records or sworn proof of the criteria and circumstances for a Declaration of Emergency and never disclosed which resources or which circumstances existed in section 7.0.1 (3) 2. It is deemed to be a HOAX without such sworn under oath DEMONSTRABLY JUSTIFIED proof required by section 1 of the Canadian Charter of Rights and Freedoms. This also violates DUE PROCESS. They acted with intention and wanton and reckless disregard for the lives of the population, causing severe hardships, reckless child endangerment, and suicides. The report on the 129 day Declaration of Emergency did not divulge the resources, criteria and circumstances for the declaration of Emergency nor was it ever divulged under oath to the population at any other point. It can easily be said that the resources in question in section 7.0.1 (3) 2 were staples or paper clips. The accused were parties to the offence as the Lieutenant Governor failed to disclose sworn records containing proof that the alleged SARS-COV-2 virus in fact exists as Ontario public health has NO RECORDS.

"Deaths are included whether or not COVID-19 was determined to be a contributing or underlying cause of death as indicated in the iPHIS field Type of Death." (source = <https://files.ontario.ca/moh-covid-19-report-en-2020-06-26.pdf> page 14)

"There is no question that there will be a challenge to the coming administration in the arena of infectious diseases," Dr. Fauci said during a speech at Georgetown University (July 2017), adding, "the thing we're extraordinarily confident about is that we're going to see this in the next few years."

One example of a very significant essential service that was seriously disrupted and interfered with is access to a Justice of the Peace by any member of the population. The "JP" office has not been processing private prosecution applications from the population to this day since March 2020. The population does not have access to a "JP".

Another essential service that was seriously disrupted and interfered with is access to health care.

Another essential service that was seriously disrupted and interfered with is access to buying food. People with exemptions are being denied access to grocery stores as well as other business. Interfering with access to food or essentials must be considered as attempted murder due to the historical nature of past mass starvations. Numerous Police Departments are closed to the population, an essential service interfered and/or obstructed. Deaths by suicides are a direct result, and the accused are also accused of MURDER, as LOCKDOWN SUICIDES become MURDER.

The accused were presented with a CRIMINAL INFORMATION regarding a criminal code violation of FORGERY (s366) concerning the ORDERS in COUNCIL signed by the Lieutenant Governor, and were shown severe material alterations, erasures, obliterations, or removal,

or any other ways. The accused refused to take in the information thereby being parties to the offence.

### **Section 122 - Breach of trust.**

The accused breached trust by acting out of self-interest while discharging a public duty.

The accused breached trust by failure to discharge the duties imposed on them.

Breach of trust involves abusing a position of authority for self-benefit and against the interests of the person to whom you owe the duty of trust.

The accused refused to take in a report of crimes of FRAUD committed via Provincial Debt, as well as Federal Debt - as the accused did not want to be the one filing a report against The Lieutenant Governor, or Governor General among other high profile persons as this could be a career ending move and possibly dangerous to the life of the accused.

The accused refused to take in a report of crimes of HOAX regarding Terrorism, Terrorism, Torture, and numerous other crimes committed by the Lieutenant Governor - as the accused did not want to be the one filing a report against The Lieutenant Governor, or Governor General among other high profile persons as this could be a career ending move and possibly dangerous to the life of the accused. The accused breached trust by failing to SAFEGUARD EQUALITY BEFORE THE LAW and the PROTECTION OF THE LAW.

The accused were presented with a CRIMINAL INFORMATION regarding a criminal code violation of FORGERY (s366) concerning the ORDERS in COUNCIL signed by the Lieutenant Governor, and were shown severe material alterations, erasures, obliterations, or removal, or any other ways. The accused refused to take in the information thereby being parties to the offence of Breach of Trust.

Children and teens and the unborn became debt laden. No one has the authority to put people born 1,000 years from now into debt.

### **Section 126 - Disobeying a Statute.**

The accused disobeyed a statute - The Police Services Act.

The accused were parties to disobeying section 7.0.2 (1) & (3)(1) of the Emergency Management & Civil Protection Act, violating the Charter of Rights & Freedoms, by not SAFEGUARDING.

The accused disobeyed the Canadian Bill of Rights, the Constitution Act, 1982, in particular, sections 52, 1, 2, 6, 7, 8, 9, 12, 15, 26, 31. Accused were parties to or obstructed religious/moral purpose gatherings, and the gaining of a livelihood.

A CRIMINAL ACCUSATION of FORGERY (s366), as well as HOAX regarding Terrorism was recklessly ignored.

### **Section 128 - Misconduct.**

The accused misconducted themselves in the process of a criminal information being reported to them by negligent behaviour of not wanting to act on the information.

The accused misconducted themselves in the process of a criminal information being reported to them by either failing to report the criminal information, or by making a report that may not be accurate - as in the accused refused to accept or report properly their conduct of ignoring or acting improperly by not accepting the criminal information presented to them.

The accused misconducted themselves in the process of SAFEGUARDING the fundamental rights and freedoms and Human Rights Code (Police Services Act s1.2 violation).

As well, there are numerous reports in a variety of medium that CORONERS are involved with fraudulent death certificates labelling COVID for deaths completely unrelated to the death, or if there were co-morbidities. Accused neglected to DEMONSTRABLY JUSTIFY with proven, sworn under oath evidence. MEDIA reports cannot be used because many reports have been shown to

be false by independent citizen journalists. Deaths were labelled COVID-19 for even gunshot deaths. Accused did not protect and were party in some form for autopsies to no longer be performed, never being able to prove nor verify cases. The so called virus was never isolated nor purified. The PCR test is not a valid test, and the numbers have no standing.

**"Deaths are included whether or not COVID-19 was determined to be a contributing or underlying cause of death as indicated in the iPHIS field Type of Death."** (source = <https://files.ontario.ca/moh-covid-19-report-en-2020-06-26.pdf> page 14)

### **Section 139 (2) - Obstructing Justice.**

The accused refused to hear and accept a **CRIMINAL INFORMATION** that clearly shows FORGERY (CC s366) on the ORDERS in COUNCIL. The **FORGERY** is related to the Declarations of Emergencies, the Stay at home orders, the Extensions of Declarations of Emergencies, how LOCKDOWN SUICIDES and LOCKDOWN health deaths become Homicide/MURDER. The accused obstructed, perverted and defeated the course of justice.

The accused refused to hear/accept information regarding the obstruction and interference of essential services, such as the population cannot have access to the Ontario Superior Court of Justice by way of laying a PRIVATE INFORMATION as applications have not been processed since March 17, 2020.

The accused refused to hear/accept information regarding the obstruction and interference of essential services, such as the population cannot have access to certain grocery stores. People are being turned away at grocery stores. This is the tending towards the destruction of an identifiable group of people - (people who are exempt from the mask mandates, etc).

The accused refused to hear and take in the information that the CHURCH OF GOD members are so badly discriminated within their home town of Aylmer Ontario, to the point where most members cannot or do not shop in their own home town. The accused refused to hear/accept about how this will affect those children affected. The accused refused to hear how this causes fear for their own security, including economic security, and again, how the children would be affected.

The accused refused to hear how the HUMAN RIGHTS CODE was violated.

The accused refused to hear section 1.2 of the Police Services Act mentions safeguarding the fundamental right and freedoms and the Human Rights Code, and how the accused have failed to safeguard this.

Furthermore, the accused refused to hear/accept information that LOCKDOWN SUICIDES become MURDER. Life in prison.

The Canadian Bill of Rights states in the 3rd sentence:

Parliament "shall ensure the protection of these rights and freedoms in Canada".

Parliament clearly failed and did disobey that statute.

Disobeying a statute is criminal code violation section 126.

Section 17 of the 1867 Constitution Act states that Parliament is the Queen, the Senate, and the House of Commons.

The POLICE have a lawful duty to detain, question, and criminally charge "Parliament" - the Queen, every member of the Senate, and every member of the House of Commons immediately, and especially the Lieutenant Governor of Ontario who never DEMONSTRABLY JUSTIFIED the Emergency Orders while defeating "DUE PROCESS". DUE PROCESS requires evidence, questioning and proving evidence, and much more.

Parliament failed to ensure the protection of these rights as the Lieutenant Governor - Elizabeth Dowdeswell - signed ORDERS in COUNCIL defeating, obstructing, interfering and perverting the course of justice as well as our rights and freedoms to the point people are refused the ability to buy food - an essential service - and the hallmark of **GENOCIDE**. Numerous other criminal code violations were committed - such as:

S83.01 (1) (b) - terrorism - as our ability to file a criminal information with the Ontario Court of Justice was obstructed and interfered with. This is **TERRORISM**.

AND because the Lieutenant Governor never once provided sworn proof of any evidence requiring a declaration of emergency, it is deemed a HOAX, section 83.231 (1) - HOAX regarding Terrorism. Defeating the course of justice is also OBSTRUCTING JUSTICE, s139(2), 10 years in prison. Deaths have occurred, s220 CRIMINAL NEGLIGENCE CAUSING DEATH, as well as s229(c) CULPABLE HOMICIDE is MURDER. LOCKDOWN SUICIDES become MURDER.

The signatures on the ORDERS in COUNCIL require Police to question the Lieutenant Governor on the authenticity of the ORDERS in COUNCIL, as there are signature alterations, no names of signed persons, no "signed at" location, no O-Reg number on signature page, and no SEAL or STAMP to authenticate the signatures. This is FORGERY, s366 of the criminal code.

As well, the Ontario DEBT is about 400 Billion dollars. If we could get to a 250 million dollar surplus, it would take 1600 years to pay off. The FEDERAL DEBT is over 1 trillion dollars. If we could get to a surplus of 500 million dollars, it would take 2000 years to pay off that debt. Children born 1000 years from now would be forced to pay for the lives of people who lived and died 1000 years before them. This is criminal code violation, section 380 - FRAUD.

This is just the short list of criminal code violations by "Parliament", and the Lieutenant Governor of Ontario - that the accused refused to hear/accept **CRIMINAL INFORMATION** on.

The accused continue to do nothing, as they have proven to do nothing to safeguard our rights and freedoms and the Human Rights Code, the police are Parties to the offences - section 21 criminal code.

Every police officer in Ontario is required to team up and support any and all arresting officers, as you are able to do so as there is "equality before the law and the protection of the law" (s1(b) Canadian Bill of Rights), as no one is above the law including the Queen.

There is no declared emergency. There is no demonstrably justified proof of anything, and therefore is no need for any measures other than charging them with criminal code violations and seeking a guilty charge with a LIFE IN PRISON punishment.

The accused obstructed, perverted and defeated the course of justice.

### **Section 176 - Obstructing religious services**

The accused did not SAFEGUARD freedom of assembly, as well as in relation to religious services, or assemblies of good or moral purpose. The accused were party to the offence by doing nothing to SAFEGUARD this.

Obstructing religious services and gatherings for good or moral purposes. Emergency measures violated Charter section 2 (c), obstructing religious worship and/or gatherings for good or moral purposes.

### **Section 180 - Nuisance.**

The accused obstructed the process of a criminal complaint being reported to them, thereby obstructing or interfering with a right that is common to Her Majesty's subjects.

### **Section 218 - Reckless Endangerment of Children.**

The accused, through failing to act to safeguard and protect, did recklessly endanger the lives of children. Masks and social distancing damage children, actually almost everyone. Children have become docile on school buses and within schools. CARBON DIOXIDE, trapped within a mask will do this. CARBON DIOXIDE causes active rats/rodents/animals to slow down, then lie down, then die painlessly. CO2 is listed as a TOXIC SUBSTANCE, item #74 of the Canadian Environmental Protection Act, 1999. Oxygen deprivation occurs as the mask becomes a CO2 retention chamber. Children are berated by other children for not wearing a mask – even while exempt.

### **Section 219 - Criminal Negligence.**

The accused showed a wanton and reckless disregard for the lives of those who committed SUICIDE due to the LOCKDOWN measures.

Ben Clarke (#1117) just blatantly walked away in an uncivil manner.

The other accused officers had a total disregard for those who committed SUICIDE, as LOCKDOWN SUICIDES become MURDER ---- section 220 Criminal Negligence causing Death, and section 229(c) Culpable Homicide is Murder. The accused must have been this way since March 17, 2020 and show how they have behaved the whole time as they continued that reckless disregard for lives as shown in this information. They have been this way all along.

The accused failed to protect the population from breathing in their own CO2, a known toxic substance, listed in the schedule as item #74 of the Canadian Environment Protection Act. CO2 is used to UETHENIZE rats, rodents, pigs, etc.

The accused did neglect and wantonly and recklessly neglected to hear/receive any voices or messages from the population that particular emergency measures and measures in general were harmful to the overall population – children, elderly, workers, non workers, etc.

COVID-19 measures were not DEMONSTRABLY JUSTIFIED at any point. The accused show a wanton and reckless disregard for those who have committed SUICIDE due to the LOCKDOWN measure, as well as information that is widely known that ISOLATION can cause SUICIDES. The accused did not care about specific SUICIDE ATTEMPTS, as well as specific actual SUICIDES that were due to the LOCKDOWN.

The accused refused to accept a criminal information regarding HOAX regarding Terrorism, Terrorism, FORGERY, as well as numerous other criminal accusation of the Lieutenant Governor.

### **Section 220 - Criminal Negligence causing death.**

The accused, through their attitudes via conduct, and continued conduct, are party to the deaths due to LOCKDOWN SUICIDES, as well as LOCKDOWN HEALTH CARE SYSTEM related deaths. The accused refused to hear that Lieutenant Governor of Ontario ELIZABETH DOWDESWELL did cause LOCKDOWN SUICIDES as a result of the DECLARATION OF EMERGENCY that was never accompanied by any proof, demonstrable justification, and ORDERS in COUNCIL documents that shows clear signs of FORGERY.

The accuse are party to MURDER. In the least, isolation has suicide victims.

The accuse supported the circumstances for suicides, especially child and teen suicides.

### **Section 229 (c) - Culpable Homicide is MURDER.**

The accused, through their attitudes via conduct, and continued conduct, are party to the deaths due to LOCKDOWN SUICIDES, as well as LOCKDOWN HEALTH CARE SYSTEM related deaths. The accused refused to hear that Lieutenant Governor of Ontario ELIZABETH DOWDESWELL did cause LOCKDOWN SUICIDES as a result of the DECLARATION OF EMERGENCY that was never accompanied by any proof, demonstrable justification, and ORDERS in COUNCIL documents that shows clear signs of FORGERY.

The accuse are party to MURDER. In the least, isolation has suicide victims.

The accuse supported the circumstances for suicides, especially child and teen suicides.

### **Section 245 - Administering a Noxious substance.**

The accused were party to the offense of Administering a Noxious Substance.

The population was forced to wear facemasks, forcing the population to breathe in a noxious/toxic substance. CO2 is listed as a TOXIC SUBSTANCE, item #74 of the Canadian Environmental Protection Act, 1999. CO2 painlessly kills and without notice or warning.

### **Section 269.1 - TORTURE.**

The accused were party to the offense of **TORTURE**.

**Every element of TORTURE is satisfied as a result of the non DEMONSTRABLY JUSTIFIED measures, without any protection to the population. There is NO DEFENSE for TORTURE - even in a public emergency. The elements of TORTURE are: isolation, monopolization of perception, humiliation and degradation, exhaustion, threats, occasional indulgences, demonstrating omnipotence, and forcing trivial demands. Suicides are a result.**

### **Section 346 - Extortion.**

The accused were parties to the offense of Extortion.

Extortion was committed on the population by the NON DEMONSTRABLY JUSTIFIED measures.

### **Section 361 - False Pretence.**

The accused were party to the offense of False Pretence.

The accused misrepresented fact based evidence, including the number of cases, the unreliable PCR test, case load of hospitals, which are known to be nearly empty. There is less than 1 person in intensive care per hospital in Ontario.

### **Section 380 - Fraud.**

The accused did not do anything to protect children and teens from extreme government debt. As well, they acted outside statutory authority to assist to put babies born hundreds of years out from now into debt for the lives of people who have lived and died many years before them. This constitutes being party to an offense of FRAUD. The measures were not DEMONSTRABLY JUSTIFIED to incur exorbitant costs on the adult population as well.

Ontario Public Health, and Health Canada have no records of the isolated so called "virus".

The Ontario Provincial debt is approximately \$400 billion dollars. If the Province of Ontario ever could get to a surplus of \$250 million dollars, it would take 1600 years to pay it off. This is FRAUD. The Federal Debt is at least \$1 trillion dollars. If the Federal Government ever could get to a surplus of \$500 million dollars, it would take 2000 years to pay it off. This is FRAUD.

The accused are party to this offense by refusing to take in a **CRIMINAL INFORMATION** that lists this as one of the crimes to be reported, as well as the HOAX nature being reported that has escalated the size of the respective debts of the jurisdictions mentioned herein.

The salary of the accused are paid for by DEBT.

### **Section 423 - Intimidation.**

The accused were party to the offense of Intimidation.

There is coercion through threats of excessive fines for non compliance of these NON DEMONSTRABLY JUSTIFIED measures.

### **Section 429 (1) - Wilfully causing EMERGENCY.**

The accused were party to the offense of Wilfully causing EMERGENCY.

The accused did wilfully cause affected rights and freedoms to be violated on a grand scale by way of order, and action in support of orders.

**Section 430 - Mischief.**

The accused were party to the offense of Mischief.

An extreme amount of property was interfered with in a variety of ways. Properties were rendered useless, inoperative or ineffective – businesses, churches, vehicles, etc.

### **I will say:**

The accused were either rude, discourteous, or unprofessional in their conduct.

The Declarations of Emergency are deemed to be a HOAX, as fundamental justice and due process have been severely violated to the point of psychopathic criminality, as there were never any disclosure sworn under oath and presented to the population of Ontario.

Mortalities are no different year after year, and there is no danger of major proportions as stated in "ONTARIO REGULATION 7/21" and "ONTARIO REGULATION 50/20" as follows:

	<b><u>2019</u></b>	<b><u>2020</u></b>
<b>Ontario: 7 months, Feb-Aug, inclusive:</b>	<b>61,090</b>	<b>60,610</b>

(September not yet available)

Six months prior to the Declaration of Emergency, the GPMB put out a document with a copyright date of 2019, with a released date of September 2019, telling of a UN and WHO planned simulation and training exercise for the release of a lethal respiratory pathogen - by September 2020.

**"Progress indicator(s) for September 2020"**

**"The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen."**

The accused failed to SAFEGUARD against FRAUDS on GOVERNMENT, as the UNITED NATIONS and WORLD BANK stated that there would be a training and simulation exercise in relation to a deliberate release of a lethal respiratory pathogen by September 2020. The accused refused to take in the criminal information on this matter (approx 111 pages).

The emergency orders did not accompany any definitive DEMONSTRABLY JUSTIFIED information per the act to prevent, reduce or mitigate a danger of major proportions that was sworn under oath and easily verified, violating the most fundamental laws, violating fundamental justice.

On March 17, 2020, according the Government of Canada website showing "history" to that point, there was only one case, and one death. This is not a pandemic of major proportions.

The accused were parties to following a path, without real justification and caused serious harm in virtually all areas of life. The accused caused far greater collateral damage and serious harm than the benefits from the emergency measures.

There was no "emergency" that required a Declaration of Emergency. There was no situation or impending situation that constituted a danger of major proportion. HOWEVER, THERE IS ONE NOW BECAUSE OF THE EMEGENCY MEASURES and the conduct of police officers named. The accused recklessly endangered the lives of a significant portion of the population. The accused did create a danger of major proportion with the unjustified DECLARATION OF EMERGENCY. The accused are responsible for suicides. The accused did commit MURDER.

There is never, or nearly never, any discussion of a healthy lifestyle, such as a natural food diet, etc. Almost nothing from officials are to strengthen the population. Severe panic was created. MURDER occurred. The accused are parties to the offences.

The accused refused to accept the 111 page criminal information as it was being handed to them. The accused acted disrespectfully, and were rude, as some of the rudeness was of a nature that is best described as "POLITELY RUDE", or "POLITELY UNCIVIL".

**Matthew Ren** (#9780) even told a complainant to go get a vaccine. White blood cells get stimulated by the vaccines (immune hyper stimulation from the disease and hazardous materials just injected) are much bigger than the red blood cells carrying oxygen. The red blood cells have to squeeze like bullets through the 60,000 miles of end capillaries of the body to drop off oxygen in single file. The end capillaries begin to get blocked off, and side channels get blocked off. The side channels get blocked off, and the end capillaries get starved of oxygen and nutrition. Red blood

cells are not getting through at all, leading to NO OXYGEN = ISCHEMIA at end capillaries. SILENT STROKES occur. The brain strokes after each vaccine.

Each vaccine is additive.

The way to look at this explanation in another way is to imagine that there is an emergency near the waters edge of Lake Ontario (for example). Large service vehicles such as fire trucks will block the flow of passenger vehicle traffic. Homes along the edge of the lake can easily be starved of passenger vehicle traffic for at least 3 minutes, some times much longer than 3 minutes. If the passenger vehicle represents the flow of nutrition and oxygen to the homes along the lake, and if starving such homes for 3 minutes would cause the death of inhabitants, this is the equivalent of starving the brain for 3 minutes, causing micro vascular strokes, with no ability for collateral traffic (in this case - blood supply) as passenger vehicles cannot reach inhabitants from the lake by cars. Homes along the lake are equivalent to end blood vessel territories. Roads, such as "courts" are also a good way of looking at this as there is no other route to a house.

In the case of blood flow, blood flow damage to certain cranial nerves are known to cause respiratory arrest - sudden death, sudden infant death.

**Matthew Ren** (#9780) may have wished bodily harm, possibly even death, upon a complainant. As end blood vessel territories get damaged, with no collateral blood supply, the damage is permanent as there is no rebuilding of damaged end blood vessel territories without collateral blood supply. Damages are additive.

**Matthew Ren** (#9780) even rudely told a complainant to go get out of the police station due a complainant to not wearing a mask due to an exemption. This violated the mask bylaw. Matthew Ren (#9780) was very rude in doing so.

**Matthew Ren** (#9780) also behaved in a manner that can be described as Unlawful or Unnecessary Exercise of Authority, a violation of Police Services Act, Regulation 268/10 GENERAL, Code of Conduct, section 2(g)(iii).

**M. Taraso** (#9345) refused to accept a **CRIMINAL INFORMATION** at Burlington City Hall (Saturday, September 18, 2021 between 1:00 and 3:00 PM), stating to submit the **CRIMINAL INFORMATION** to a Police Station. The reason this **CRIMINAL INFORMATION** against the accused officers is being brought forward is because Police Officers at Police Stations have refused to accept a **CRIMINAL INFORMATION** against the Lieutenant Governor. **M. Taraso** (#9345) made it just as difficult. The population cannot reach the Police with a **CRIMINAL INFORMATION** against the Lieutenant Governor. This risks every future event of trying to reach the Police when Police Stations refuse to accept and report a charge that is criminal or otherwise. An attempt to reach **M. Taraso** (#9345) regarding grocery stores refusing to allow customers to purchase food was dismissed without proper cause. Refusing to allow the purchase of food is part of the tending to the destruction of an identifiable group, which is the definition of **GENOCIDE**. Reaching out to **M. Taraso** (#9345) was an attempt to stop this increasing trend of refusing people the ability to buy food.

Sgt **Adam Houser** (Burlington OPP Wednesday, September 1, 2021) kept stating that we could protest. He refused to hear a CRIMINAL COMPLAINT. One complainant kept mentioning a fear of concentration camps - "we don't want to go to the concentration camps".

No evidence that either pathogen is isolated, nor a basis for the Declarations of Emergencies, and related ORDERS in COUNCIL. It is deemed a HOAX.

No one is getting sick from a pathogen.

W.H.O. stated COVID-19 could be declared with no lab evidence, just clinical symptoms.

Otherwise, there would actually have to test for a virus. The PCR test is not a valid test, and the results are all null and void. This would be the equivalent of pointing a digital handheld thermometer as a RADAR gun. A digital thermometer is not an approved instrument for testing the velocity of a motor vehicle, thereby making any result from a digital thermometer null and void.

Now injecting people with MRNA computer simulation of a spike protein thought to be modeled off of the possible SARS-COV-2. An injection for the body to produce a foreign pathogen. This is not a vaccine for so called COVID.

The original offenses were committed on March 17, 2020, and March 30, 2020 and all other days that the NON DEMONSTRABLY JUSTIFIED orders are in place - by failing to obey the Charter of Rights and Freedoms and the Human Rights Code, failing to obey s7.0.2(1) of Emergency Act. Further offenses were committed on January 12, 2021 in declaring another Declaration of Emergency without providing any evidence for its requirement.

**The DECLARATION OF EMERGENCY was part of a UN and WHO system-wide training and simulation exercise of a deliberate release of a lethal respiratory pathogen. See documentation below (approximately 111 pages to follow). The actions taken are an inhumane act on a civilian population. It was planned before September 2019. There was only 1 case and 1 death in Canada as of March 17, 2020 - and not sworn under oath. This is not a Pandemic, rather a wilful creation of an emergency.**

"Over **45** institutions and offices around the world have been queried through Freedom of Information requests for records containing proof that the alleged SARS-COV-2 virus in fact exists or has even been isolated. The responses have yielded in total **NO RECORDS**. Canadian public health officials, including the Public Health Agency of Canada, Health Canada, the National Research Council of Canada and the Ontario Ministry of Health have **ZERO** legitimate evidence to support their story of a "COVID-19 virus" let alone a "COVID-19" pandemic. The virus is unproven and purely theoretical. They have committed FRAUD on the population."

All accused acted on fraudulent orders - see signatures of **ORDERS in COUNCIL**. All accused never cared to see the **ORDERS in COUNCIL** and the signatures that they were acting under. They were criminally negligent, and are accused of **CULPABLE HOMICIDE is MURDER** (s229(c)) as well as **CRIMINAL NEGLIGENCE causing DEATH** (s220).

All accused failed to SAFEGUARD fundamental rights and freedoms and the Human Rights Code - during an emergency declaration as well as after an emergency declaration was revoked.

Emergency Orders have no purpose other than "**in times of declared emergencies**" - EMCPA s7.0.2(1). The Reopening Act has no purpose outside of "declared emergencies", nullifying all orders. Only the Lieutenant Governor (unelected) may revoke orders - s5 Reopening Act.

The accused failed to question proof for the need for a Declaration of Emergency - when details were not precise. The accused are party to the offense of MURDER (s220, s229(c)) as LOCKDOWN SUICIDES become MURDER. There is no proof/evidence for subsection 7.0.1(3) of

the Emergency Management and Civil Protection Act to be invoked - 3 times. Never once were the details disclosed that required a Declaration of Emergency, as the report on the Emergency never discloses the "criteria, circumstances, or resources" stated in subsection 7.0.1(3) of the Act. The accused were presented an information detailing HOAX regarding Terrorism (and much more), and acted negligently by refusing to take and report the information as per:

POLICE SERVICES ACT: O. Reg. 268/10: GENERAL  
SCHEDULE - CODE OF CONDUCT

2 (c) Neglect of Duty, in that he or she,

(vi) fails to report a matter that it is his or her duty to report,

(vii) fails to report anything that he or she knows concerning a criminal or other charge, or fails to disclose any evidence that he or she, or any person within his or her knowledge, can give for or against any prisoner or defendant,

(viii) omits to make any necessary entry in a record,

2(a) DISCREDITABLE CONDUCT, in that he or she,

(xi) acts in a disorderly manner or in a manner prejudicial to discipline or likely to bring discredit upon the reputation of the police force of which the officer is a member;

Initially 5 complainants there.

11:45:03 AM - WE (3 of us - Persons 1, 2, & 3) go to 2 police cars in the police parking lot about LOCKDOWN SUICIDES BECOMING MURDER. We ask if they will take a CRIMINAL INFORMATION document.

Officer M. Fraser (#1419) says "you can leave it with us",

Officer M. Fraser (#1419) asks what its about, we say Lieutenant Governor, officer M. Fraser (#1419) says no, "NO, I can't accept that."

We say LOCKDOWN SUICIDES become MURDER, we point to a mother (person 4) who lost her son by way of LOCKDOWN SUICIDES BECOMING MURDER.

Officer M. Fraser (#1419) , Officer L. Toscani (#1445) both refused to accept criminal information documentation.

We are done with the interaction with the 2 police cars by (20:00 mark in audio) 11:48:43 AM

3 of us (Persons 1, 2, & 3) then walk into the police station to report a crime.

11:51:17 AM - Person 1 gets on the police phone to report a crime to ask to talk to police officer in person about suicides, children, LOCKDOWN SUICIDES BECOMING MURDER.

11:52:49 AM - Sgt C. Mukandi (#919) says to get out, not permitting mask exemptions. "There is no exemption for masks here."

We asked Sgt C. Mukandi (#919) for ID, he rudely tell us to get out as Person 1 was trying to get a police officer to get a service call.

Person 1 had to leave the phone call with the police because Sgt C. Mukandi (#919) forced us out of the building.

Sgt C. Mukandi (#919) perverted, defeated, and obstructed the course of justice - obstructing justice 139(2) - Person 1 was trying to file a criminal complaint. We were trying to prevent another suicide.

Sgt C. Mukandi (#919) seemed to have provoked us to do something wrong.  
Person 1 was very disturbed. Person 2 doesn't trust the police anymore.

OPP officer come to the station. We complain we cannot speak to the police inside or anywhere. We told OPP that Sgt C. Mukandi (#919) was disrespectful.

Sgt C. Mukandi (#919) was politely uncivil, as well as ignorant of what the law is.

12:01:18 PM - Sgt C. Mukandi (#919) came out.  
We state our criminal complaint.

We tell him about MURDER, he redirects to the OPP.

Person 1 - tells Sgt C. Mukandi (#919) we are here to report the crime. Discusses his behaviour. His tone, how he talked, wanted an apology, Sgt C. Mukandi (#919) refuses to apologize. Sgt C. Mukandi (#919) said "we have rules".

Sgt C. Mukandi (#919) doesn't get Lieutenant Governor right - says "lieutenant general".

WE showed signatures to Sgt C. Mukandi (#919). He can't absorb anything.

Sgt C. Mukandi (#919) gave us a number to call. He won't take a report.  
WE asked for copy of "**ORDERS in COUNCIL**" on the orders he is operating under.

Sgt C. Mukandi (#919) says we have to call in, he won't send an officer here.

We ask what orders he is operating under.  
Sgt C. Mukandi (#919) says "public health situation going on here".  
Sgt C. Mukandi (#919) - "I'm not going to take any documents from you."

We ask for an incident number, he says, let me go in, get it.

12:07:53 PM - Sgt C. Mukandi (#919) comes out.  
Sgt C. Mukandi (#919) won't create an incident number.

12:08:43 PM - Sgt C. Mukandi (#919) - "it's not my job to know" rules about masks.  
Sgt C. Mukandi (#919) rudely walks away.  
Done 12:09:33 PM

Person 2: discrimination to treat us different - we could not go involve a police officer.  
Sgt C. Mukandi (#919) obstructed with an essential service = obstructing justice cc s139(2), cc s83.01(1)(b).  
Section 80/81 Police Services Act, code of conduct violations,  
Person 2: Sgt C. Mukandi (#919) would have behaved differently if he saw us recoding with a video recorder.  
Person 2: was talking nicely and Sgt C. Mukandi (#919) still walked away.

# A WORLD AT RISK

**Annual report on global preparedness  
for health emergencies**

**Global Preparedness Monitoring Board**

September 2019

**GPMB**  
GLOBAL PREPAREDNESS MONITORING BOARD

#### The United Nations must strengthen coordination mechanisms.

The Secretary-General of the United Nations, with WHO and United Nations Office for the Coordination of Humanitarian Affairs (OCHA), must strengthen coordination in different country, health and humanitarian emergency contexts, by ensuring clear United Nations systemwide roles and responsibilities; rapidly resetting preparedness and response strategies during health emergencies; and, enhancing United Nations system leadership for preparedness, including through routine simulation exercises. WHO should introduce an approach to mobilize the wider national, regional and international community at earlier stages of an outbreak, prior to a declaration of an IHR (2005) Public Health Emergency of International Concern.

#### Progress indicator(s) by September 2020

- The Secretary-General of the United Nations, with the Director-General of WHO and Under-Secretary-General for Humanitarian Affairs strengthens coordination and identifies clear roles and responsibilities and timely triggers for a coordinated United Nations systemwide response for health emergencies in different countries and different health and humanitarian emergency contexts.
- The United Nations (including WHO) conducts at least two system-wide training and simulation exercises, including one for covering the deliberate release of a lethal respiratory pathogen.
- WHO develops intermediate triggers to mobilize national, international and multilateral action early in outbreaks, to complement existing mechanisms for later and more advanced stages of an outbreak under the IHR (2005).
- The Secretary General of the United Nations convenes a high-level dialogue with health, security and foreign affairs officials to determine how the world can address the threat of a lethal respiratory pathogen pandemic, as well as for managing preparedness for disease outbreaks in complex, insecure contexts.

As an independent monitoring and advocacy body, the Global Preparedness Monitoring Board (GPMB) urges political action to prepare for and mitigate the effects of global health emergencies. Co-convened in May 2018 by the World Bank Group and the World Health Organization, the Board builds on the work of the Global Health Crises Task Force and Panel, created by the United Nations Secretary-General in the wake of the 2014-2016 Ebola epidemic. The Board works independently of all parties, including its co-conveners, to provide the most frank assessments and recommendations possible. The findings, interpretations, conclusions and opinions expressed in this report and by Board members represent their views only and not those of their organizations or of the co-conveners.
