Andrew Baksh, Dan Dove:

You denied me access to purchase FOOD, an "essential". You thereby acted with a GENOCIDE action.

Further to this, you had police remove others as well.

Within 15 days, please supply me with:

- 1) the "evidence" and the DUE PROCESS record of proceedings that the government gave you at or prior to March 17, 2020 regarding SARS-COV-2 (Covid-19). This includes court orders.
- 2) the "evidence" and DUE PROCESS record of proceedings that the government gave you after March 17, 2020 regarding SARS-COV-2 (Covid-19). This includes court orders.
- 3) the authorization from the government that gave you authority to conduct an inhumane act or omission on a civilian population. This includes court orders.

After 15 days, I reserve the right to follow up with a criminal complaint, which upon conviction converts immediately into a civil fault and a civil liability.

GENOCIDE means an act or omission committed with intent to destroy, in whole or in part, an identifiable group of persons.

Denying access to FOOD to an identifiable group (those with mask exemptions), and even using the Police to deny access to FOOD is an act with INTENT.

sincerely,
