

HOAX regarding Terrorism

"Over 45 institutions and offices around the world have been queried through Freedom of Information requests for records containing proof that the alleged SARS-COV-2 virus in fact exists or has even been isolated. The responses have yielded in total NO RECORDS. Canadian public health officials, including the Public Health Agency of Canada, Health Canada, the National Research Council of Canada and the Ontario Ministry of Health have ZERO legitimate evidence to support their story of a "COVID-19 virus" let alone a "COVID-19" pandemic. The virus is unproven and purely theoretical. They have committed FRAUD on the population."

The report on the 129 day Declaration of Emergency did not divulge the criteria and circumstances for the declaration of Emergency nor was it ever divulged under oath to the population at any other point. It can easily be said that the resources in question in section 7.0.1 (3) 2 (EMCPA) were staples or paper clips.

The Lieutenant Governor and Premier failed to disclose sworn records containing proof that the alleged SARS-COV-2 virus in fact exists.

The Lieutenant Governor and Premier never supplied sworn records or sworn proof of the criteria and circumstances for a Declaration of Emergency and never disclosed which resources or which circumstances existed in section 7.0.1 (3) 2 (EMCPA).

It is deemed to be a **HOAX** without such sworn under oath DEMONSTRABLY JUSTIFIED proof required by section 1 of the Canadian Charter of Rights and Freedoms.

The Lieutenant Governor and Premier did cause public intimidation with regards to its security including economic security, causing persons to do or refrain from doing any act, such as freedom of assembly, freedom of the right to the gaining of a livelihood, freedom to not breathe in ones own carbon dioxide, among other things.

The Lieutenant Governor and Premier recklessly endangered the lives of children, elderly, the vulnerable, and the healthy segment of the population.
The Lieutenant Governor and Premier also caused serious disruption and interference of essential services.

One example of a very significant essential service that was seriously disrupted and interfered with is access to a Justice of the Peace by any member of the population.

This has happened. The "JP" office has not been processing private prosecution applications from the population to this day since March 2020.

The Lieutenant Governor and Premier did commit Criminal Code violations 83.01 (1)(b) = Domestic Terrorism, and 83.231 (1) = HOAX regarding Terrorism.... among others.

The Police are required to lawfully take into custody the Lieutenant Governor and Premier, and charge them with Domestic Terrorism, and HOAX regarding Terrorism.
