

Hello everyone...

I have an important message to all Police Officers in Ontario, and specifically to TORONTO POLICE OFFICERS of all rank.

The Lieutenant Governor committed criminal code violations, such as MURDER (as lockdown related suicides become MURDER as in section 229(c) of the criminal code).  
The Lieutenant Governor also committed HOAX regarding Terrorism - criminal code s83.231(1) and s83.01(1)(b).

The Lieutenant Governor also committed TORTURE as every element of TORTURE has been satisfied - isolation, monopolization of perception, humiliation and degradation, exhaustion, threats, occasional indulgences, demonstrating omnipotence, and forcing trivial demands. This is criminal code section 269.1.

Many more crimes were committed by the Lieutenant Governor. These crimes require life in prison.

TORONTO POLICE, listen up....

Sections 83.01 (1) (b) and 83.231 (1) - Domestic Terrorism, and HOAX regarding Terrorism -  
The Lieutenant Governor did cause public intimidation with regards to its security including economic security, causing persons to do or refrain from doing any act, such as freedom of assembly, freedom of the right to the gaining of a livelihood, freedom to not breathe in one's own CARBON DIOXIDE, among other things.

This recklessly endangered the lives of children, elderly, the vulnerable, and the healthy segment of the population.

The Lieutenant Governor also caused serious disruption and interference of essential services.

The Lieutenant Governor never supplied sworn records or sworn proof of the criteria and circumstances for a Declaration of Emergency and never disclosed which resources or which circumstances existed in section 7.0.1 (3) 2. It is deemed to be a HOAX without such sworn under oath DEMONSTRABLY JUSTIFIED proof required by section 1 of the Canadian Charter of Rights and Freedoms.

The Lieutenant Governor acted with intention and wanton and reckless disregard for the lives of the population, causing severe hardships, reckless child endangerment, and suicides. The report on the 129 day Declaration of Emergency did not divulge the resources, criteria and circumstances for the declaration of Emergency nor was it ever divulged under oath to the population at any other point. It can easily be said that the resources in question in section 7.0.1 (3) 2 were staples or paper clips.

The Lieutenant Governor failed to disclose sworn records containing proof that the alleged SARS-COV-2 virus in fact exists as Ontario public health has NO RECORDS.

“Deaths are included whether or not COVID-19 was determined to be a contributing or underlying cause of death as indicated in the iPHIS field Type of Death.” (source = <https://files.ontario.ca/moh-covid-19-report-en-2020-06-26.pdf> page 14)

“There is no question that there will be a challenge to the coming administration in the arena of infectious diseases,” Dr. Fauci said during a speech at Georgetown University (July 2017), adding, “the thing we’re extraordinarily confident about is that we’re going to see this in the next few years.”

One example of a very significant essential service that was seriously disrupted and interfered with is access to a Justice of the Peace by any member of the population. The “JP” office has not been processing private prosecution applications from the population to this day since March 2020. The population does not have access to a “JP”.

Another essential service that was seriously disrupted and interfered with is access to health care.

Another essential service that was seriously disrupted and interfered with is access to buying food. People with exemptions are being denied access to grocery stores as well as other businesses.

Interfering with access to food or essentials must be considered as attempted murder due to the historical nature of past MASS starvations. Numerous Police departments are closed to the population, an essential service interfered and/or obstructed.

Deaths by suicides are a direct result, and the Lieutenant Governor is also accused of MURDER.

I ask TORONTO POLICE to lawfully take the Lieutenant Governor ELIZABETH DOWDESWELL into custody immediately, and charge her with MURDER section 229(c) of the criminal code, as well as Terrorism, and HOAX regarding Terrorism, sections 83.01(1)(b), and 83.231(1) respectively.

I ask TORONTO POLICE to participate in the criminal prosecution of the Lieutenant Governor to put the Lieutenant Governor in prison for life.

Ask urge all of my supporters to share this to reach the police, especially the TORONTO POLICE.

Thank you and GOD BLESS as I stand on guard for thee.
